

ABOUT TROOP 116

We are proud of the many years of excellent Scouting experience provided to the hundreds of young men who have been members of Boy Scout Troop 116 since April, 1962. Ours is a tradition of excellence and achievement, exemplified by the fact that 160 young men have earned the Eagle Scout rank in Troop 116.

Scouting promises to give young men experience in the great outdoors, opportunities to work toward the Eagle Scout rank, and the tools to help make the most of life in their family, community, and nation. The mission of Boy Scout Troop 116 is to deliver this promise of adventure, learning, challenge, and responsibility.

One of Scouting's main purposes is to develop youth leadership, and we feel strongly that this can be done best by offering as many opportunities as possible for the boys to do the leading and to learn by experience. Leadership responsibilities such as these will help them mature into strong, wise adults.

Troop 116 has conducted fundraising activities for years. Proceeds from these efforts have made it possible for Troop 116 to support its own activities as well as contribute to a number of scout related activities and community programs. Fundraising proceeds have been used to supply other troops with needed equipment, sponsor inner-city troop programs, and support church programs. Also, donations have been made to Mecklenburg 4-H Clubs, Charlotte Rehab Hospital, Scout Development Program, NC Society for Autistic Children, and St. John's Episcopal Church.

TROOP 116 ANNUAL YEARBOOK

The Troop 116 Yearbook is a professionally designed 8 1/2"x 11" bound booklet outlining the various activities of the Troop and events of the year. Since this is our first Annual, we are using this opportunity to highlight the Eagle Scouts from Troop 116. The current Scouts of Troop 116 will be contacting all Eagle Scouts to develop biographies and learn how being an Eagle has affected their life.

Advertisements complete the rest of the program and range in size from full page ads to business card ads. Supporters who do not place an ad receive special recognition in the front of the Yearbook.

WE NEED YOUR HELP!

The Annual Yearbook is Troop 116's major fund raising event of the year. The scouts work with local businesses, executives and community leaders who provide financial support by purchasing ads in the Troop 116 Yearbook or by making a donation. The Troop 116 Yearbook is distributed free to all families in the Troop and to other financial supporters of Troop 116.

HOW WILL YOU BENEFIT?

- * Troop 116 is the largest troop in Mecklenburg County. Our scout families will appreciate your support by patronizing your business.
- * At meetings and socials, we will encourage our scout families to patronize the businesses that support scouting.
- * Those that look through the Troop 116 Yearbook will see and appreciate your ad and your support for the scouts.
- * Your advertisement or contribution is generally a deductible expense.

TROOP 116 - THE ACTION TROOP

We are truly "The Action Troop". Boys and young men in Troop 116 are offered opportunities for active participation, and activities include monthly camping trips or other special events or trips. Our tradition of excellence and achievement is complemented by this orientation toward Action. Fundraising activities such as the Yearbook help support these events and trips, underwriting the costs of these trips and making them affordable. In addition, the Scout can actively sell ads or request donations, giving them a chance to support the activities through their own efforts. Scouting in Troop 116 provides boys ages 11 to 17 an unequaled opportunity to develop a unique blend of leadership skills and service to God and Country.
